Research Guides
Everything you need for your research project.

Feeling lost and overwhelmed? Not sure where to go to find information for your research project? Try one of the MCC Library Research Guides.
Research Guides are mini webpages for a particular subject.

In each guide you will find

- Recommended databases for that topic
- A search widget for books
- Helpful websites
- Writing and citation help
- Tutorials and research tips
How to Find the Research Guides?

You can find the guides under the Research Guides button or the Research Help tab.
